Al-Anon Family Groups are a fellowship of wives, husbands, relatives and friends of problem drinkers (whether or not they are members of Alcoholics Anonymous) who share their experience, strength and hope in order to solve their common problems. We believe that alcoholism is a family illness and that changed attitudes can aid recovery.

Al-Anon is not affiliated with any sect, denomination, political entity, organization or institution, does not engage in any controversy, neither endorses nor opposes any cause. There are no dues or fees for membership. Al-Anon is self-supporting through its own contributions.

Al-Anon has but one purpose: to help families and friends of problem drinkers. Like AA, Al-Anon is an anonymous fellowship.
